**2025-2026 MARKETING SEASON
PRODUCER ASSESSMENT PAYMENT FORMS**

LODI WINEGRAPE COMMISSION
Crush District #11, Local Commission

Monthly Producer Assessment Report
General Instructions

California Food and Agriculture code requires that all vintners withhold an assessment on all Crush District #11 winegrapes acquired from producers and remit the assessment to the Lodi Winegrape Commission.

Assessment Rate: For the marketing season beginning July 1, 2025, and ending June 30, 2026 the assessment rate shall be 0.45% (45 cents per hundred dollars) of the gross dollar value of winegrapes grown in and acquired from Crush District #11.

Collection of Grower Assessment: The vintner or packer is required to deduct the assessment for the 2025-2026 marketing season from payments made to producers of Crush District #11 winegrapes, remit the assessment during the following month directly to the Commission, and file assessment reports documenting the amount remitted. The vintner or packer is required to deduct the producer assessment from payments made to producers regardless of how many tons of winegrapes the producer is believed to have grown. If a producer supplies the vintner with a Commission-generated Certificate of Exemption, a deduction is not required. Producers may apply to the Commission for a certificate of exemption or a refund if they believe they are exempt from assessment.

Due Dates and Remittance Advice: Producer assessment payments are due and payable on the last day of the month following the month in which payments are made by vintners to producers and remitted to:

Lodi Winegrape Commission
c/o Farmers & Merchants Bank
P.O. Box 3000
Lodi, CA 95241

For the 2025-2026 marketing season the payment schedule shall be as follows:

Producer payments for the months of:	Assessment payments are due by:
July and August*	September 30, 2025
September *	October 31, 2025
October*	November 30, 2025
November *	December 31, 2025
December*	January 31, 2026
January*	February 28, 2026
February*	March 31, 2026
March*	April 30, 2026

*Assessment form must be returned with required information.

Special note regarding assessment due dates: In the event a vintner or packer has not paid for its Crush District #11 winegrapes acquired from producers by March 31, 2026, it must compute the total remaining payments due to the producer, calculate the total remaining assessment due on these outstanding payments, and remit the assessment on the March 2026 payment form. The gross dollar value of any unpriced winegrapes must be calculated by using the weighted average grower return per ton for Crush District #11 as it appears in the Final Grape Crush Report.

Penalties: The postmark on the remittance envelope containing the assessment payment and assessment report shall be considered the date of payment regardless of the date entered on the forms. Delinquent assessments will be subject to a 10% penalty plus a 1.5% late fee for each 30 days, or portion thereof, that the delinquent balance is unpaid. Failure of the vintner or packer to collect assessments from a producer shall not exempt the vintner from liability nor relieve the producer of the obligation to pay the assessment.

Assessment Exemption: Any producer seeking an exemption from, or refund of assessments must complete an Assessment Exemption/Refund Request Form, attesting to the facts establishing the producer's right to an exemption and/or refund, and submit the form to the Commission within a two-year period (California Food and Agricultural Code Section 74952.7(g)). A new Assessment Exemption/Refund Request Form shall be submitted every two years or when the facts represented on the previous Form change, whichever is earlier.

Upon receipt of the Assessment Exemption/Refund Request Form, Commission staff shall work to verify eligibility. Once verification is complete, the Commission Executive Director shall review and either authorize or deny the assessment exemption or refund. To request an Assessment Exemption Form, please contact the Lodi Winegrape Commission at 209.367.4727 or info@lodiwine.com.

Custom Crush Activity: California Food and Agriculture code requires producers to pay an assessment on winegrapes grown in Crush District #11 and custom crushed for producers. The Commission will be contacting vintners in November 2025 for the names, addresses of producers, and quantities of Crush District #11 winegrapes custom crushed.

CDFA Audits: Please be aware that CDFA (California Department of Food & Agriculture) will conduct random vintner/winery audits during the upcoming fiscal year. The purpose of these audits is to verify the accuracy of assessment reports and payments to the Commission. The Lodi Winegrape Commission and CDFA both understand the value of your time, and we do not anticipate these audits to be an excessive burden on you or your staff. Should you be selected for an audit, you will be given formal notice with ample time to schedule with CDFA.

Warning: It is a violation of California Food and Agriculture code to fail to furnish or willfully furnish false reports, statements, or records to the Commission, or to fail or refuse to furnish names and addresses of producers from which Crush District #11 winegrapes were received.

Questions or Comments: If you have any questions or comments regarding the assessment rules and regulations or assessment calculation and remittance, please contact the Lodi Winegrape Commission at 209.367.4727 or info@lodiwine.com.
